

THE CLASSICS

“THE CLASSICS” DEMONSTRATE HOW LAND, ARCHITECTURE AND LANDSCAPE DESIGN WORK TOGETHER TO FORM A TRULY SPECTACULAR NEIGHBORHOOD.

These 12 half-acre home site packages by Estrella Associates, Inc., were designed by J. LARSSON ARCHITECTS (now RNM Design, Costa Mesa, CA) and created specifically to accommodate the unique characteristics of each site. They also include completed designer-created interior specifications (The Design Collaborative, San Luis Obispo, CA) and landscape plans (Clark & Green Landscape Architects, Costa Mesa, CA) specifically designed for each architectural style of home.

This limited enclave of 12 classically designed hillside homes incorporates Shingle, Prairie and Craftsman architecture with corresponding landscape plans. This Neighborhood offers incredible views overlooking River Oaks Golf Course, downtown Paso Robles, Salinas River Valley to the south, the Santa Lucia Mountains to the west, the Estrella Plains and Temblor Mountain Range to the east. Whether you prefer the painted skies of the morning or sun-kissed sunsets, your future home awaits you here in River Oaks.

We encourage you to contact us at your earliest convenience to experience these spectacular plans and reserve your home site as there are only 11 sites remaining.
